Slaven VlasicGetty Images Dancing With The Stars is the only TV show that can take people like Spicer, Hannah Brown and Lauren Alaina arrive at one place. It's a hodgepodge of pop culture icons who dance way to covet mirror ball trophy. (My bet is on Bachelorette Hannah B. winning. The girl can move in heels). There have been 27 seasons, which means there are 27 winners. But what happened after they hung up their dancing shoes? This is where all the winners of DWTS are now. 1 of 54 Then: Kelly Monaco General Hospital star and model Kelly Monaco won the first season of DWTS in 2005 with partner Alec Mazo. For the first time there were only six couples and six weeks of competition. Now, the show usually has 12 couples. 2 of 54 Now: Kelly Monaco Kelly will still be as strong as Sam on General Hospital. She has been involved in soap operas since 2003, and shows no signs of slowing down anytime soon. 3 of 54 Then: Drew Lachey 98 Degrees member Drew Lachey turns up the heat with partner Cheryl Burke on one of the most memorable free-performance ever. She is married to free football agent Andrew East, and they are expecting their first child. 17 of 54 Then: Donny Osmond It's no surprise that donny Osmond's stage was able to win DWTS season nine.
